Wetlands came to talk to the Crackerjacks/Popcorn

The Popcorn class is busy making leprechaun traps

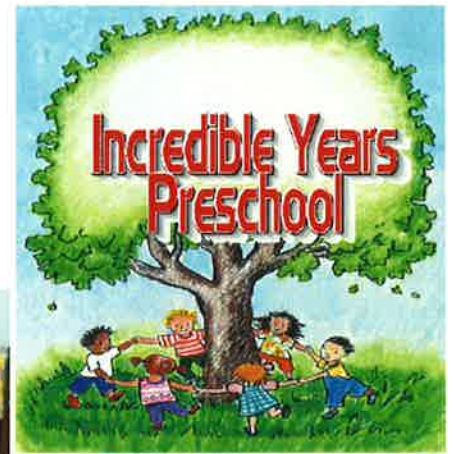

LEPRECHAUNS VISIT IY

Once again the little green rascals invaded Incredible Years. The children made traps, but never caught a single leprechaun. However, we know they were here as there were many tricks played on us. Our milk was green at breakfast, our door was locked when we tried to get in from the playground, and our room was all messed up. We had tipped over chairs, toys out of place, and trash all over our room. Our little preschool friends were appalled by the mess and scurried to clean up. The leprechauns did leave us a treat though, so we know they are our friends.

SUMMER AND FALL PROGRAMS

We are accepting applications for summer and fall from all returning and new students. A \$20 non-refundable deposit is needed to save a spot for returning students. This fee will be applied to their first month's tuition in the fall.

SCHOLASTIC BOOK ORDERS

Thanks to everyone who has ordered books. IY has been able to obtain books and supplies for our classroom, with the bonus points we have earned. April book orders are due on the 21st. This will be the last book order for this school year. Checks or money orders only, please.

*No School
Friday, April 14th*
